HONEYWELL WINTRISS ANNOUNCES NEW CANADIAN MASTER DISTRIBUTOR

ACTON, MA, January 8, 2008 – Honeywell (NYSE:HON) Wintriss today announced the appointment of Veugen Integrated Technologies (VIT) as its Canadian Master Distributor. VIT will handle sales, installation, and service for the Wintriss product line from its offices in New Dundee, Ontario (address, 1622 Queen Street; phone, 519-696-8925; Fax, 519-696-3902; email, sales@vit-ltd.com; Web site, www.vit-ltd.com).

VIT is recognized throughout the metal forming industry for its innovative approaches to rebuilding press controls so they meet current safety standards. Veugen also designs and builds custom control panels for OEM applications and control reliable systems for any machine requiring conformance to CSA and ANSI safety standards.

Honeywell provides a broad portfolio of Wintriss automation and safety products to the metal stamping and forming industry. The product range includes laser guarding systems for hydraulic press-brakes, light curtains, clutch/brake controls, die protection systems, load analyzers, in-die quality control systems and production reporting software. Honeywell Wintriss is part of Honeywell Process Solutions. Find additional information about Honeywell Wintriss at www.wintriss.com.

Honeywell International is a \$31 billion diversified technology and manufacturing leader, serving customers worldwide with aerospace products and services; control technologies for buildings, homes and industry; automotive products; turbochargers; and specialty materials. Based in Morris Township, N.J., Honeywell's shares are traded on the New York, London, Chicago and Pacific Stock Exchanges. It is one of the 30 stocks that make up the Dow Jones Industrial Average and is also a component of the Standard & Poor's 500 Index. For additional information, please visit www.honeywell.com. Honeywell Process Solutions is part of Honeywell's Automation and Control Solutions group, a global leader in providing product and service solutions that improve efficiency and profitability, support regulatory compliance, and maintain safe, comfortable environments in homes, buildings and industry.
